

Features and certified quality

With resolution of 640 x 480 pixels, the cinemizer^{plus} has been optimized for mobile video players and enables up to four hours of movie enjoyment on the road. The cinemizer^{plus} is compatible with iPhone, iPhone 3G, iPhone 3GS, iPod touch, iPod classic, iPod with Video and iPod nano (3rd, 4th and 5th generation). Clips ensure a perfect fit. DVD players and multimedia phones are also supported.

“Made for iPod” or “Works with iPhone” means that an electronic accessory has been designed to connect specifically to iPod or iPhone and has been certified by the developer to meet Apple performance standards.

Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards.

Tips around the cinemizer and the topic 3D are sent regularly via the cinemizer newsletter. Please subscribe under www.zeiss.com/cinemizer/newsletter.

iPod not included.

cinemizer^{plus}

The next generation 3D movies and 3D games*

Fantastic “real” 3D. Brand-new 3D technology enables you to directly experience the latest 3D productions from Hollywood and 3D games*.

*Requires video-out signal!

movie experience

We make it visible.

cinemizer^{plus}

go for entertainment

- 1 Individually adjustable dioptric setting
- 2 Individual nosepad position for optimum wearing comfort
- 3 Ergonomically adjustable earpieces
- 4 Stereo telescope headphones

The movie screen on the go

Watch up to 4 hours of videos from your iPhone or iPod in excellent quality on the equivalent of a 45-inch television.

The digital lifestyle is becoming reality. Even for eyeglass wearers

Lifestyle at its best: an award-winning design from FrogDesign. Ergonomically sculpted and comfortable even for eyeglass wearers thanks to the simple prescription adjustment of -3.5 to +3.5 diopters for each eye.

Ideal for iPhone and iPod

Unpack. Start watching. Intuitive and self-explanatory. Apple users value the ease of use. Connection to a DVD player or multimedia phone is also possible thanks to the optional cable.
